To the Shareholders of
Allied Motion Technologies Inc.:

You are hereby notified that the annual meeting of shareholders of Allied Motion Technologies Inc. will be held on April 28, 2005 at 2:00 p.m. (Mountain Time) at the Lone Tree Country Club, 9808 Sunningdale Blvd., Lone Tree, Colorado for the following purposes:

Item 1. to elect six persons to the Company's Board of Directors to serve until the next annual meeting of shareholders or until their successors are duly elected and have qualified; and

Item 2. to consider and act upon such other business as may properly be presented for action at the Annual Meeting or any adjournment thereof.

The Board of Directors has fixed the close of business on March 15, 2005 as the record date (the "Record Date") for the Annual Meeting. Only shareholders of record at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Our transfer books will not be closed.

The Board of Directors of the Company extends a cordial invitation to all shareholders to attend the Annual Meeting, as it is important that your shares be represented at the meeting. PROXY STATEMENT

This proxy statement and the accompanying proxy card are being furnished to the holders of Common Stock of Allied Motion Technologies Inc. (the Company) in connection with the solicitation of proxies by the Board of Directors to be voted at the Annual Meeting of shareholders to be held on April 28, 2005 at 2:00 p.m. (Mountain Time) at the Lone Tree Country Club, 9808 Sunningdale Blvd., Lone Tree, Colorado. The Annual Meeting is called for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This proxy statement and the accompanying proxy card were first mailed to shareholders on or about March 28, 2005.

QUORUM AND VOTING RIGHTS

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast on the matter presented is necessary to constitute a quorum at the Annual Meeting. Shares of the Company's Common Stock represented by properly executed proxies that reflect abstentions or broker non-votes will be counted as present for purposes of determining the presence of a quorum at the annual meeting. Broker non-votes are shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote, and the broker does not have discretionary voting authority.

The affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting is required for the election of directors (Item 1). Since the election of directors requires the approving vote to be measured against all shares of Common Stock entitled to vote, an abstention and withholding authority from that vote is the equivalent of a vote against election of nominated directors. The **Record Date** for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting is the close of business on March 15, 2005. As of the Record Date, there were 6,091,439 shares of Common Stock outstanding, each of which is entitled to one vote at the Annual Meeting.

All shares of Common Stock represented by properly executed proxies will, unless such proxies have been revoked previously, be voted in accordance with the instructions indicated in such proxies. If no such instructions are indicated, such shares will be voted FOR the election of the six nominees for director (Item 1), and in the discretion of the proxy holders on any other matter that may properly come before the Annual Meeting (Item 2). Any holder of Common Stock has the unconditional right to revoke his or her proxy at any time prior to the voting thereof at the Annual Meeting by (i) filing with the Secretary of the Company written revocation of his or her proxy prior to the voting thereof, (ii) giving a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. If a shareholder's shares are held by a broker, bank or other nominee and the shareholder seeks to vote shares in person at the Annual Meeting, the shareholder must bring to the Annual Meeting a written statement from the nominee confirming the shareholder's beneficial ownership of a stated number of shares and that such shares have not been voted by the nominee. Attendance by a shareholder at the Annual Meeting will not in itself revoke his or her proxy.

Solicitation of proxies for use at the Annual Meeting may be made in person or by mail, telephone or telegram, by directors, officers and regular employees of the Company. Such persons will receive no special compensation for any solicitation activities. In addition, the Company may retain the services of D.F. King & Co., Inc. to aid in the solicitation of proxies in person, by mail or telephone. If retained, the costs are not expected to exceed \$5,000 plus expenses. We will request banking institutions,

brokerage firms, custodians, trustees, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock held of record by such entities, and we will, upon the request of such record holders, reimburse reasonable forwarding expenses. The costs of preparing, printing, assembling and mailing the proxy statement, proxy card and all materials used in the solicitation of proxies to shareholders, and all clerical and other expenses of such solicitation, will be borne by the Company.

ITEM 1: ELECTION OF DIRECTORS

Our articles of incorporation and bylaws provide for a board consisting of not less than three and not more than six persons, as such number is determined by the Board of Directors, all of whom will be elected annually to serve until the next annual meeting of shareholders and until their successors are elected and qualified, or until the director resigns or is otherwise removed. During 2004, the board approved the increase in the number of directors from five to six directors and appointed Mr. Michel (Mike) Robert to serve on the Board until the next annual meeting of shareholders.

All incumbent directors have been nominated to succeed themselves as directors. The affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting is required for the election of directors. If the number of votes required for the election of directors is not received, directors will continue in office until the next annual meeting or until resignation or removal. Unless authority is withheld, it is intended that the shares represented by proxy at the Annual Meeting will be voted in favor of the six nominees named below. All nominees have agreed to serve if elected.

If any nominee becomes unable or unwilling to serve at the time of the Annual Meeting, the shares of Common Stock represented by proxy at the Annual Meeting will be voted for the election of such other person as the Board of Directors of the Company may recommend.

MANAGEMENT RECOMMENDS A VOTE "FOR" EACH NOMINEE NAMED.

Independence

The Board of Directors has determined that each current director, other than Mr. Smith, the Company's Chief Executive Officer and Chief Financial Officer, is "independent" as defined in the listing standards of the Nasdaq Small Cap Market.

Meetings and Committees of the Board of Directors

The Board of Directors held four regular meetings and two phone meetings during the year ended December 31, 2004. Each director attended or participated in 75% or more of the total number of meetings of the board held during the period for which he has been a director and all committees of the board on which such director served. All directors are expected to regularly attend all meetings of the Board and the Board committees on which he serves. In addition, each director is expected to attend the Annual Meeting of Shareholders. In 2004, the Annual Meeting of Shareholders was attended by all of the directors in office at that time.

The Board of Directors has established an Audit Committee and a Compensation Committee, each of which is composed of directors who are not employees of the Company.

The Board of Directors does not have a standing nominating committee. The Board of Directors has adopted resolutions providing that a majority of the independent directors shall be responsible for identifying, screening, recruiting and presenting director candidates to the Board of Directors. The

Board of Directors will consider nominees recommended by shareholders who meet the requirements for shareholder proposals set forth on the last page of the Proxy Statement. Any such person will be evaluated in the same manner as any other potential nominee for director.

The Board has not adopted specific minimum criteria for director nominees. The independent directors identify nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, or if the independent directors decide not to nominate a member for re-election, the independent directors first consider the appropriateness of the size of the board. If the independent directors determine the board seat should remain and a vacancy exists, the independent directors consider factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. The independent directors will consider nominees suggested by incumbent Board members, management, shareholders and, in certain circumstances, outside search firms.

The Audit Committee is responsible for the appointment, replacement, compensation and oversight of the work of the Company's independent auditors. The Audit Committee also reviews the Company's annual and quarterly reports filed with the Securities and Exchange Commission. The Audit Committee is composed of three non-employee directors. The members of the Audit Committee during 2004 were Messrs. Hubbard (Chairman), Hock and Pilmanis. The members of the Audit Committee are independent as defined in the listing standards of the Nasdaq Small Cap Market. The Audit Committee held one meeting during year 2004. The Audit Committee Chairman met quarterly with the Company's independent auditors and made a presentation of each quarterly review to the Board of Directors. The Board has adopted a written charter for the Audit Committee which was included as Exhibit A to the Company's 2004 proxy statement dated March 29, 2004.

The Compensation Committee has the principal responsibility to make recommendations to the Board of Directors concerning the compensation of the Company's management employees including its executive officers. The Compensation Committee also reviews, approves and recommends to the Board for their approval all awards granted under the Company's stock incentive plan. The members of the Compensation Committee are Messrs. Pilmanis (Chairman), Hock and Hubbard. The Compensation Committee held one regular meeting during 2004.

It also shows a calculation of the potential realizable value if the fair market value of the Company's shares were to appreciate at either a 5% or 10% annual rate over the period of the option term.

Name	Individual Grants				Potential realizable value at assumed annual rates of stock price appreciation for option term(3)	
	Number of securities underlying options granted(1)	Percent of total options granted to employees in Fiscal year	Exercise or base price (\$/Sh)(2)	Expiration Date	5% (\$)	10% (\$)

The 5% and 10% rates of

appreciation are mandated by the rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of future increases in the price of common stock.

In the event of death, disability or termination by the Company prior to a change in control, other than for cause, the Agreements provide for limited continuation of salary and insurance benefits and for bonus prorations or settlements.

Change in Control Arrangements

The Company has entered into agreements with Mr. Smith, Mr. Warzala and Mr. Wyman pursuant to which, upon termination by the Company (other than for cause as defined in the Agreement) or by the executive for good reason (as defined in the Agreement) within 90 days prior to or 24 months following a change in control of the Company, they are entitled to receive a severance payment equal to 2.5 times (1 times for Mr. Wyman) the sum of current annual base salary plus the amount paid under the Annual Bonus Plan for the preceding fiscal year, and an allocation for incentive compensation for the current year up to the date of termination and a monthly payment for a two year period for the individual to acquire insurance benefits. The agreements expire on December 31 of each year, however, they are extended automatically on January 1 of each year for a term of two years, unless notice of non-renewal is given by the Company not later than the September 30 immediately preceding renewal. The Company has similar agreements (providing lower severance multiples) with other key executives. The change in control agreements are applicable to a change in control of the Company or of the subsidiary or division for which the executive is employed and require the key executives to remain in the employ of the Company for a specified period in the event of a potential change in control of the Company and provide employment security to them in the face of current pressures to sell the Company or in the event of take-over threats, so that they can devote full time and attention to the Company's efforts free of concern about discharge in the event of a change in control of the Company. These agreements are common at other public companies. They are not excessive and are within industry standards. The Board of Directors has considered termination of these agreements and determined that the reasons for executing change in control agreements continue to be valid and concluded that notices of non-renewal would not be in the best interests of shareholders.

Compensation Committee Interlocks and Insider Participation

During 2004 the Compensation Committee was comprised of Messrs. Pilmanis, Hock and Hubbard who are all non-employees. See the caption **EXECUTIVE COMPENSATION—Compensation of Directors** for information concerning compensation paid to directors for attending and participating in board and committee meetings and special assignments.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

The Compensation Committee is composed of three non-employee directors, Messrs. Pilmanis, Hock and Hubbard. The Compensation Committee is responsible for making recommendations to the Board of Directors concerning the compensation of executive officers and other management employees, including stock based awards under the Company's Stock Incentive Plan.

The Compensation Committee annually reviews base salaries for executive officers in relation to corporate performance. As a result of achievements in the Company's performance for 2004, a \$10,000 salary increase was recommended by the Committee for each of Mr. Smith and Mr. Warzala and a \$4,000 increase was recommended for Mr. Wyman during the most recent review in February 2005.

The Compensation Committee establishes target levels of achievement for the Annual Bonus Plan at the beginning of the year. They review past operating results as well as forecasts and plans for the ensuing year. For 2004, an Annual Incentive Bonus structure based on Economic Value Added (EVA) Income was recommended and the Performance Thresholds and Targets were set using EVA. For 2004,

the Performance Targets were exceeded and therefore bonus amounts of \$163,917, \$157,063 and \$65,901 were awarded in February 2005 to Mr. Smith, Mr. Warzala and Mr. Wyman respectively.

The Company's Long-Term Incentive Payment Plan is based on stock awards pursuant to the Company's Stock Incentive Plan. In making its recommendations for stock based awards, the Committee considers, among other things, officer's responsibilities and their efforts and performance in relation to the business plan and forecast. It also considers development of the Company's business and products, performance of the Company's products in the marketplace, impact of the Company's products and product development on future prospects for the Company, market performance of the Company's Common Stock, the relationship between the benefits of stock awards and improving shareholder value, the current level of stock and stock options held, and the shares available for award. The Committee also considers customary business practices and long-term incentive plan benefits granted in comparison to such benefits provided to other executives in similar positions.

The Committee acknowledges the importance of providing competitive compensation and benefit packages in recruiting and retaining qualified personnel. Stock incentive programs remain an important component of the total compensation package for officers and key managers who are responsible for the conduct and management of the Company's business or who are involved in endeavors significant to its success to advance the interests of the Company and its shareholders and to remain affiliated with the Company.

The Company has historically utilized grants of stock options. The Compensation Committee is currently evaluating the use of stock options, stock appreciation rights and restricted stock or a combination of any of these awards allowed under the Stock Incentive Plan. The Committee intends to make a recommendation in 2005 regarding awards to the directors, executive officers and other key management of the Company.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee reviewed the appointment of the Company's independent public accountants for 2005 at its meeting in February 2005 and recommended that KPMG LLP be appointed. The recommendation was approved by the Company's Board of Directors. KPMG LLP served as independent auditors of the Company for 2004, 2003 and the six month Transition Period ended December 31, 2002. A representative of KPMG LLP is expected to be present at the Annual Meeting

and will have an opportunity to make a statement, if he so desires, and will be available to respond to appropriate questions.

Audit Fees

The following table shows the fees paid or accrued by the Company for the audit and other services provided by KPMG LLP for 2004 and 2003.

	2004	2003
Audit Fees(1)	263,500	\$ 119,400

- (1) Audit fees represent fees for professional services provided in connection with the audit of the Company's financial statements, review of the Company's quarterly financial statements and audit services provided in connection with other regulatory filings.
- (2) Audit-related fees consist primarily of benefit plan audits.
- (3) Tax fees principally include fees for tax return preparation and tax consulting.
- (4) All other fees are fees paid for due diligence assistance in the acquisition of Premotec.

The Audit Committee has considered whether the provision of services described above is compatible with maintaining the independence of KPMG LLP. The Committee believes that the fees billed by KPMG LLP for the services described are compatible with KPMG LLP maintaining its independence as the Company's principal accountant.

AUDIT COMMITTEE STRUCTURE

The Audit Committee is composed of three independent directors appointed by the Board of Directors, each of whom is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. During 2004, the members of the Audit Committee were Mr. Hubbard (Chairman), Mr. Hock and Mr. Pilmanis. The Board has determined that Mr. Hubbard, the Audit Committee Chairman qualifies as an "audit committee financial expert", as defined by Securities and Exchange Commission rules.

The Audit Committee is governed by a written charter, which was included as Exhibit A to the 2004 Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

As members of the Audit Committee, our work is guided by the Audit Committee Charter. We have completed all charter tasks scheduled to be performed in 2004 prior to year-end and all charter tasks scheduled to be performed in 2005 prior to the end of the first quarter. Our work included, among other procedures:

- (1) We pre-approved audit and permitted non-audit services of the Company's independent auditors.

- (2) We met with the independent auditors prior to year-end to discuss the audit approach and review significant accounting and reporting matters.
- (3) We discussed with the independent auditors their independence and the matters required to be discussed by Statement on Auditing Standards 61, "Communications with Audit Committees," as amended. We received the written disclosures from the independent auditors required by the Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees."
- (4) Prior to their publication, we reviewed and discussed with management and the independent auditors the Company's December 31, 2004, audited financial statements, the related audit report, and the applicable management's discussion and analysis. Management is responsible for the financial statements and the reporting process, including the system of internal control. The independent auditors are responsible for expressing an opinion on the fairness of the presentation of audited financial statements in conformity with accounting principles generally accepted in the United States.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited financial statements and related material be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.
