PROXY STATEMENT

QUESTIONS AND ANSWERS
ABOUT THE 2006 ANNUAL MEETING

Why did I receive this proxy?

The Board of Directors of Allied Motion Technologies Inc. (the "Company") is soliciting proxies to be voted at the Annual Meeting of Shareholders. The Annual Meeting will be held Thursday, April 27, 2006, at 2:00 p.m. (Mountain Time) at . This proxy statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in person in order to vote.

Who is entitled to vote?

All shareholders of record as of the close of business on Thursday, March 9, 2006 (the "Record Date") are entitled to vote at the Annual Meeting.

What is the quorum for the Annual Meeting?

A quorum at the Annual Meeting will consist of a majority of the votes entitled to be cast by the holders of all shares of Common Stock outstanding. No business may be conducted at the Annual Meeting if a quorum is not present. Broker non-votes (shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote, and the broker does not have discretionary voting authority) and abstentions will be counted as shares present in determining whether a quorum is present. As of the Record Date, 6,373,351 shares of Common Stock were issued and outstanding.

How many votes do I have?

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each item submitted to you for consideration.

How do I vote?

- By Mail: Vote, sign, date your card and mail it in the postage-paid envelope
- In Person: At the Annual Meeting

How do I vote my shares that are held by my broker?

If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you.

What am I voting on?

You will be voting on the following proposals:

- Proposal One: The election of six Directors of the Company
- Proposal Two: Amendment of the Company's Articles of Incorporation to delete the provisions fixing the number of directors of the Company (the number of directors will then be governed by the terms of our Bylaws)

Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for shareholder proposals and nominations has passed. Nonetheless, in case there is an unforeseen need, your proxy gives discretionary authority to Delwin D. Hock and Richard D. Smith with respect to any other matters that might be brought before the Annual Meeting. Those persons intend to vote that proxy in accordance with their best judgment.

How many votes are required to act on the proposals?

The holder of each outstanding share of Common Stock is entitled to one vote for each share of Common Stock on each matter submitted to a vote at a meeting of shareholders.

Pursuant to our Articles of Incorporation and Bylaws, directors will be elected by the affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting with each share being voted for as many individuals as there are directors to be elected and for whose election the share is entitled to vote.

Approval of the amendment of our Articles of Incorporation requires the affirmative vote of a majority of the votes cast at the meeting.

How are votes counted?

Since the election of directors requires the approving vote to be measured against all shares of Common Stock entitled to vote, an abstention and withholding authority from that vote is the equivalent of a vote against the election of the nominated director.

For purposes of the vote on the amendment of our Articles of Incorporation, abstentions and broker non-votes will not be counted as affirmative or negative in determining the number of shares voted.

What happens if I return my proxy card without voting on all proposals?

When the proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with your directions. If the signed card is returned with no direction on a proposal, the proxy will be voted in favor of (FOR) Proposals One and Two.

Can I change my vote after I return my proxy card?

You can revoke your proxy and change your vote at any time prior to the voting thereof at the Annual Meeting. You can do this by:

- filing with the Secretary of the Company a written revocation or signing and submitting another proxy with a later date, or
- attending the Annual Meeting, withdrawing the proxy and voting in person

If your shares are held by a nominee and you seek to vote shares in person at the Annual Meeting, you must bring to the Annual Meeting a written statement from the nominee confirming the shareholder's beneficial ownership of a stated number of shares and that such shares have not been voted by the nominee. Your attendance at the Annual Meeting will not in itself revoke your proxy.

Will anyone contact me regarding this vote?

Solicitation of proxies for use at the Annual Meeting may be made in person or by mail, telephone or telegram, by directors, officers and regular employees of the Company. Such persons will receive no special compensation for any solicitation activities. In addition, we have retained the services of D.F.

King & Co., Inc. to aid in the solicitation of proxies in person, by mail or telephone. The costs are not expected to exceed \$6,000 plus expenses. We will request banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock held of record by such entities, and we will, upon the request of such record holders, reimburse reasonable forwarding expenses.

Who has paid for this proxy solicitation?

We have paid the entire expense of this proxy statement and any additional materials furnished to shareholders.

May shareholders ask questions at the Annual Meeting?

Yes. There will be time allotted at the end of the meeting when Company representatives will answer questions from the floor.

How do I submit a proposal for the 2007 Annual Meeting?

If a shareholder wishes to have a proposal considered for inclusion in the proxy statement prior to the 2007 Annual Meeting, he or she must submit the proposal in writing to the Company (Attention: Secretary) so that it is received by _____, 2006. Shareholders are also advised to review our Bylaws, which contain additional advance notice requirements, including requirements with respect to advance notice of shareholder proposals and Director nominations.

Our Board of Directors will review any shareholder proposals that are timely submitted and will determine whether such proposals meet the criteria for inclusion in the proxy solicitation materials or for consideration at the 2007 Annual Meeting. In addition, the persons named in the proxies retain the discretion to vote proxies on matters of which the Company is not properly notified in accordance with the advance notice provisions contained in our Bylaws, and also retain such authority under certain other circumstances.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent or with stockbrokers. Please complete and return all proxy cards to ensure that all your shares are voted.

When was this proxy statement mailed?

This proxy statement, the enclosed proxy card and the Annual Report were mailed to shareholders beginning on or about March _____, 2006.

Can I find additional information on the Company's website?

Yes. Our website is located at www.alliedmotion.com. Although the information contained on our website is not part of this proxy statement, you can view additional information on the website, such as our code of ethics, corporate governance principles, charters of board committees and reports that we file with the SEC. A copy of our code of ethics, corporate governance principles and each of the charters of our board committees may be obtained free of charge by writing to Allied Motion Technologies Inc., 23 Inverness Way East, Suite 150, Englewood, Colorado 80112, Attention: Secretary.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Articles of Incorporation and Bylaws provide for a Board consisting of not less than three and not more than six persons, as such number is determined by the Board of Directors, all of whom will

be elected annually to serve until the next annual meeting of shareholders and until their successors are elected and qualified, or until the Director resigns or is otherwise removed.

Our Board of Directors currently consists of Delwin D. Hock, Graydon D. Hubbard, George J. Pilmanis, Eugene E. Prince, Michel M. Robert and Richard D. Smith. Based on the recommendation of our Governance and Nominating Committee, all incumbent directors have been nominated to succeed themselves as directors. The affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting is required for the election of directors. If the number of votes required for the election of directors is not received, directors will continue in office until the next annual meeting or until resignation or removal. Unless authority is withheld, it is intended that the shares represented by proxy at the Annual Meeting will be voted in favor of the six nominees named below. All nominees have agreed to serve if elected.

If, at the time of the Annual Meeting, any nominee is unable or declines to serve, the discretionary authority provided in the proxy may be exercised to vote for a substitute or substitutes. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES.

Nominees for Election as Directors

The following provides certain information regarding the nominees for election to our Board of Directors. Pursuant to Mr. Smith's employment agreement, as long as he is the Chief Executive Officer of the Company and is willing to serve, the Board of Directors will nominate him for election to the Board.

Independent Directors

Under the corporate governance standards of the Nasdaq Capital Market, at least a majority of our Directors, and, except in limited circumstances, all of the members of our Audit Committee, Compensation Committee and Governance and Nominating Committee, must meet the test of "independence" as defined by Nasdaq. The Nasdaq standards provide that to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board of Directors must affirmatively determine that a director has no material relationship with the Company. The Board of Directors has determined that each current director, other than Mr. Smith, the Company's Chief Executive Officer and Chief Financial Officer, satisfies the bright line criteria and that none has a relationship with the Company that would interfere with such person's ability to exercise independent judgment as a member of our Board.

BOARD COMMITTEES AND MEETINGS

The Board of Directors has a standing Audit Committee, Compensation Committee and Governance and Nominating Committee. Each member of each of these committees is "independent" as that term is defined in the Nasdaq listing standards. The Board has adopted a written charter for each of these committees, which is available on our web site at www.alliedmotion.com.

Audit Committee

The Audit Committee of our Board of Directors consists of Messrs. Hubbard (Chairman), Hock and Pilmanis. The Audit Committee oversees the Company's financial reporting on behalf of the Board and is responsible for the appointment, replacement, compensation and oversight of the work of the Company's independent auditors. The Audit Committee also reviews the Company's annual and quarterly reports filed with the Securities and Exchange Commission ("SEC"). The Audit Committee met four times during the Company's 2005 fiscal year. Each member of the Audit Committee meets the current independence and experience requirements of Nasdaq and the SEC. Mr. Hubbard has been designated as the Company's "Audit Committee financial expert" in accordance with the SEC rules and regulations and qualifies as a financially sophisticated audit committee member under the Nasdaq listing standards. See "Report of the Audit Committee" below.

Compensation Committee

The Compensation Committee of our Board of Directors currently consists of Messrs. Pilmanis (Chairman), Hock and Hubbard. The Compensation Committee has the principal responsibility to make recommendations to the Board of Directors concerning the compensation of the Company's management employees including its executive officers. The Compensation Committee also reviews, approves and recommends to the Board for their approval all awards granted under the Company's stock incentive plan and performs other functions regarding compensation as the Board may delegate. See "Report of the Compensation Committee" below. The Compensation Committee met three times during the Company's 2005 fiscal year.

Governance and Nominating Committee

The Governance and Nominating Committee of our Board of Directors was formed on August 3, 2005 and consists of Messrs. Hock (Chairman), Hubbard and Prince. The Governance and Nominating Committee met one time during the Company's 2005 fiscal year. The Governance and Nominating Committee (i) monitors and oversees matters of corporate governance, including the evaluation of Board performance and processes and the "independence" of directors, and (ii) selects, evaluates and recommends to the Board qualified candidates for election or appointment to the Board and each Committee of the Board.

The Board of Directors will consider nominees recommended by shareholders. Any such person will be evaluated in the same manner as any other potential nominee for director. Any suggestion for a nominee for director by a shareholder should be sent to the Company's Secretary at 23 Inverness Way East, Suite 150, Englewood, Colorado 80112, within the time periods set forth under "Shareholder Proposals for the 2007 Annual Meeting."

The Board has not adopted specific minimum criteria for director nominees. The independent directors identify nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, or if the independent directors decide not to nominate a member for re-election, the independent directors first consider the appropriateness of the size of the board. If the independent directors determine the board seat should remain and a vacancy exists, the independent directors consider factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee.

In identifying suitable candidates for nomination as a director, the Governance and Nominating Committee will consider the needs of the Board and the range of skills and characteristics required for effective functioning of the Board. In evaluating such skills and characteristics, the Governance and Nominating Committee may take into consideration such factors as it deems appropriate, including those included in the Corporate Governance Principles, which were adopted on October 27, 2005, and are available at www.alliedmotion.com.

Board Attendance at Meetings

The Board of Directors held four meetings during the Company's 2005 fiscal year. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and meetings held by all committees of the Board of Directors on which he served. Our Corporate Governance Principles provide that all directors are expected to regularly attend all meetings of the Board and the Board committees on which he serves. In addition, each director is expected to attend the Annual Meeting of Shareholders. In 2005, the Annual Meeting of Shareholders was attended by five of the directors.

Shareholder Communication With the Board

We provide an informal process for shareholders to send communications to the Board of Directors. Shareholders who wish to contact the Board of Directors or any of its members may do so in writing to Allied Motion Technologies Inc., 23 Inverness Way East, Suite 150, Englewood, Colorado 80112. Correspondence directed to an individual board member will be referred to that member. Correspondence not directed to a particular board member will be referred to the Chairman of the Board.

Report of the Audit Committee

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

Management is responsible for the Company's financial statements and reporting process. The Company's independent registered public accounting firm, KPMG LLP, is responsible for performing an independent audit of the Company's annual financial statements in accordance with generally accepted accounting principles in the United States of America ("GAAP") and for issuing a report on those statements.

As members of the Audit Committee, our work is guided by our Audit Committee Charter. We have completed all Charter tasks scheduled to be performed in 2005 prior to year-end and all Charter tasks scheduled to be performed in 2006 prior to the end of the first quarter. Our work included, among other procedures:

(1) We pre-approved audit and permitted non-audit services of the Company's independent auditors.

(2) We met with management and the independent auditors on a quarterly basis to discuss financial statements and related reports and to review significant accounting and reporting matters.

(3) We discussed with the independent auditors their independence and the matters required to be discussed by Statement on Auditing Standards 61, "Communications with Audit Committees," as amended. We received the written disclosures from the independent auditors required by the Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees."

(4) Prior to their publication, we reviewed and discussed with management and the independent auditors the Company's December 31, 2005, audited financial statements, the related audit report, and the applicable management's discussion and analysis.

Based on the work referred to above, we recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC.

Employment Agreements With Certain Executive Officers

The Company has employment agreements with Richard D. Smith, Chief Executive Officer and Chief Financial Officer, and Richard S. Warzala, President and Chief Operating Officer. The Agreements have an initial term of five years, through 2008, and continue subsequently on a year-to-year basis unless the Company or the officer gives termination notice at least 60 days prior to expiration of the initial or subsequent terms. The Agreements contain the provisions outlined below.

Base Salary. The Agreements provide an annual base salary of not less than \$240,000 for Mr. Smith and \$230,000 for Mr. Warzala, and may be reviewed annually for increase on a merit basis. Mr. Smith's salary was increased to \$250,000 and Mr. Warzala's salary was increased to \$240,000 effective March 1, 2005.

Annual Bonus. Annual incentive bonuses are paid based on achieving performance criteria established annually by the Board of Directors. The performance criteria will recognize the overall financial performance of the Company and the improvements made in financial results. See discussion under "Report of the Compensation Committee."

Long-Term Incentive Payment Plan. The Company utilizes stock based awards for long-term incentives based on criteria described in the "Report of the Compensation Committee."

Other Provisions. Messrs. Smith and Warzala participate in other benefits and perquisites as are generally provided by the Company to its employees. In addition, the Company provides each executive officer with an automobile and with \$500,000 of life insurance for which the executive may designate the beneficiaries.

In the event of death, disability or termination by the Company prior to a change in control, other than for cause, the Agreements provide for limited continuation of salary and insurance benefits and for bonus prorations or settlements.

Change in Control Arrangements

The Company has entered into agreements with Messrs. Smith, Warzala and Wyman pursuant to which, upon termination by the Company (other than for cause as defined in the Agreement) or by the executive for good reason (as defined in the Agreement) within 90 days prior to or 24 months following a change in control of the Company, they are entitled to receive a severance payment equal to 2.5

times (1 times for Mr. Wyman) the sum of current annual base salary plus the amount paid under the Annual Bonus Plan for the preceding fiscal year, and an allocation for incentive compensation for the current year up to the date of termination and a monthly payment for a two year period for the individual to acquire insurance benefits. The agreements expire on December 31 of each year, however, they are extended automatically on January 1 of each year for a term of two years, unless notice of non-renewal is given by the Company not later than the September 30 immediately preceding renewal. The Company has similar agreements (providing lower severance multiples) with other key executives. The change in control agreements are applicable to a change in control of the Company or of the subsidiary or division for which the executive is employed and require the key executives to remain in the employ of the Company for a specified period in the event of a potential change in control of the Company and provide employment security to them in the face of pressures to sell the Company or in the event of take-over threats, so that they can devote full time and attention to the Company's efforts free of concern about discharge in the event of a change in control of the Company. The Board of Directors has considered termination of these agreements and determined that the reasons for executing change in control agreements continue to be valid and concluded that notices of non-renewal would not be in the best interests of shareholders.

Compensation Committee Interlocks

As noted above, the Compensation Committee is comprised of three independent Directors: Messrs. Pilmanis, Hock and Hubbard. No member of the Compensation Committee is or was formerly an officer or an employee of the Company. No executive officer of the Company serves as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors, nor has such interlocking relationship existed in the past.

Report of the Compensation Committee

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

In order to make our compensation recommendations to the Board of Directors, we annually evaluate the performance and determines the compensation of the Company's executive officers based upon a mix of the achievement of corporate goals and individual performance. The Chief Executive Officer and Chief Operating Officer provide recommendations to the Compensation Committee, but are not present during the discussions regarding their own compensation.

Compensation Philosophy

We have determined that the primary goals of the Company's compensation policies are as follows:

- To provide total compensation opportunities for executive officers which are sufficient to attract and retain individuals whose talents and abilities allow the Company to accomplish its strategies.
- To align the interests of management and stockholders through the use of incentive compensation directly related to corporate performance and through the use of stock-based incentives that result in increased Common Stock ownership by executive officers.

Elements of Compensation

The key elements of executive compensation are base salary, annual incentive compensation and long-term incentive compensation. In 2005 we engaged a compensation consultant to assist us in evaluating our executive compensation levels and programs.

Base Compensation. The main purpose of base compensation is to provide salary levels compatible to the salary levels sufficient to attract and retain executive officers. In determining salary levels for executive officers, we rely primarily on the evaluation and recommendations by Mr. Smith, Chief Executive Officer, of each officer's performance during the prior year and responsibilities for the current year.

Annual Incentive Compensation. We believe that annual incentive compensation payable to the executive officers of the Company should be based upon the Company's performance and should align the interests of management with those of the Company's shareholders. We have approved the Company's Incentive Bonus Plan which is designed to link performance incentives for all employees, including executive officers, to increases in shareholder value and to promote a culture of high performance and ownership by employees in which employees are rewarded for improving operating efficiencies, reducing costs and improving profitability for the Company. At the beginning of the year, we established threshold and target levels of achievement for the Company's Annual Bonus Plan after reviewing past operating results as well as forecasts and plans for the ensuing year. For 2005, an Annual Incentive Bonus structure based on Gross or Economic Value Added (GVA or EVA) Income was recommended and the Performance Thresholds and Targets were set using EVA. Based on the results of the Company for 2005, threshold performance levels were not met and therefore, Messrs. Smith, Warzala and Wyman did not receive bonuses with respect to 2005. Incentive bonuses totaling \$ for 2005 were made to employees of some of the Company's operating divisions who did achieve threshold or target results.

Long-Term Incentive Compensation. The Company's Long-Term Incentive Payment Plan is based on stock awards pursuant to the Company's Stock Incentive Plan. In making its recommendations for stock based awards, we consider, among other things, the officer's responsibilities and efforts and performance in relation to the business plan and forecast. We also consider development of the Company's business and products, performance of the Company's products in the marketplace, impact of the Company's products and product development on future prospects for the Company, market performance of the Company's Common Stock, the relationship between the benefits of stock awards and improving shareholder value, the current level of stock and stock options held, and the shares

available for award. We also consider customary business practices and long-term incentive plan benefits granted in comparison to such benefits provided to other executives in similar positions.

We acknowledge the importance of providing competitive compensation and benefit packages in recruiting and retaining qualified personnel. Stock incentive programs remain an important component of the total compensation package for officers and key managers who are responsible for the conduct and management of the Company's business or who are involved in endeavors significant to its success to advance the interests of the Company and its shareholders and to remain affiliated with the Company.

The Company has historically utilized grants of stock options. During 2005, we evaluated the use of stock options, stock appreciation rights and restricted stock awards as allowed under the Company's Stock Incentive Plan. We recommended restricted stock awards to executive officers, directors and key managers of the Company as follows: Messrs. Smith and Warzala (15,000 shares each), non-employee directors (1,250 shares each) and key managers (total 10,750 shares).

CEO Compensation

In establishing the compensation of Mr. Smith, the Company's Chief Executive Officer, we consider the Company and individual performance factors previously discussed. We also evaluate his contribution to the implementation of the Company's strategic plan, the Company's total return to shareholders and his importance in delineating and implementing the Company's strategies. Based upon all relevant factors, we believe that Mr. Smith's total compensation is reasonable.

Compensation Deductibility Policy

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain Named Executive Officers, unless the compensation is performance based and satisfies other conditions. Our policy is to maximize the deductibility of compensation but does not preclude awards or payments that are not fully deductible if, in our judgment, such awards and payments are necessary to achieve our compensation objectives and to protect shareholder interests.

Section 16(a) of the Securities Exchange Act of 1934 requires directors and executive officers and persons who own more than ten percent of the Company's Common Stock to report their ownership and any changes in that ownership to the Securities and Exchange Commission. The Company believes that all Section 16(a) filing requirements applicable to its directors, executive officers and greater than ten percent beneficial owners were met for 2005.

**PROPOSAL TWO:
AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION**

The Board of Directors has approved, and recommends to the shareholders, the adoption of an amendment to our Articles of Incorporation to delete the provisions fixing the number of directors of the Company currently set forth in Section 9.1 of the Articles of Incorporation.

Article 9.1 of the Company's Articles of Incorporation, as well as Section 3.2 of the Company's Bylaws, currently provides that the number of directors constituting our Board of Directors shall be no fewer than three (3) nor more than six (6). We propose to delete this restriction. The reason for the proposed amendment is to give our Board of Directors the discretionary authority to increase its number of members. It might be advisable in the context of an acquisition of another company for a representative of that company to be on our Board of Directors or it might be advisable at some time to appoint persons with special knowledge and experience to the Board. We believe that this restriction should be deleted so that the Directors can determine the maximum and minimum size of the Company's Board of Directors without having to seek shareholder approval in the event that such number exceeds six or is less than three.

If our shareholders approve this proposal, Section 9.1 of our Articles of Incorporation will be amended to read in its entirety as follows:

"9.1 *Number.* The business and affairs of the Corporation shall be managed by a Board of Directors. The authorized number of directors of the Corporation may be stated in or fixed in accordance with the Bylaws of the Corporation, but shall never be less than the minimum number permitted by the general laws of the State of Colorado now or hereafter in force."

If our shareholders approve this proposal, the Board of Directors intends to amend our Bylaws to define the size of the Company's Board of Directors from no fewer than three and no more than nine. In addition, the Board of Directors will consider increasing the number of Directors on the Board and the appointment of Richard Warzala, our President and Chief Operating Officer, to fill that newly created vacancy at some future date.

Approval requires the affirmative vote of a majority of the votes cast on the proposed Amendment.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO DELETE THE PROVISIONS FIXING THE NUMBER OF THE COMPANY'S DIRECTORS.

PROPOSAL THREE: OTHER MATTERS

Our management does not know of any other matters to come before the 2006 Annual Meeting. However, if any other matters come before the Annual Meeting, it is the intention of the persons designated as proxies to vote in accordance with their judgment on such matters.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

KPMG LLP served as the independent registered public accounting firm for the Company for the fiscal year ended December 31, 2005. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if he so desires, and will be available to respond to appropriate questions.

The Audit Committee has not selected the Company's independent registered public accounting firm for the year ending December 31, 2006. The Audit Committee annually reviews the performance of the Company's independent auditor and the fees charged for their services. The Audit Committee anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Audit Committee's analysis of this information, the Audit Committee will determine which independent public accounting firm to engage to perform our annual audit.

The following table shows the fees billed to the Company for the audit and other services provided by KPMG LLP related to years 2005 and 2004.

	2005	2004
Audit Fees(1)	\$ 237,700	\$ 294,800
Audit-Related Fees(2)	47,000	43,800
Tax Fees(3)	41,900	58,300
All Other Fees	23,900	39,900
Total	\$ 350,500	\$ 436,800

- (1) Audit fees represent fees for professional services provided in connection with the audit of the Company's financial statements, review of the Company's quarterly financial statements and audit services provided in connection with other regulatory filings.
- (2) Audit-related fees consist of benefit plan audits.
- (3) Tax fees principally include fees for tax return preparation and tax consulting.
- (4) All other fees were paid for due diligence assistance in acquisitions and various consulting services.

The Audit Committee has adopted policies and procedures providing for the pre-approval of audit and non-audit services performed by the Company's independent auditor. Pre-approval may be given as part of the Audit Committee's approval on the engagement of the independent auditor or on an individual case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to the Audit Committee chairman, but the decision is subsequently reported to the full Audit Committee.

The Audit Committee has considered whether the provision of services described above is compatible with maintaining the independence of KPMG LLP. The Audit Committee believes that the

fees billed by KPMG LLP for the services described are compatible with KPMG LLP maintaining its independence as the Company's principal accountant.

The specific requirements of these advance notice and eligibility provisions are set forth in Article II of the Company's Bylaws, a copy of which is available upon request.
