PROXY STATEMENT

**QUESTIONS AND ANSWERS
ABOUT THE 2008 ANNUAL MEETING**

Why did I receive this proxy?

The Board of Directors of Allied Motion Technologies Inc. (the "Company") is soliciting proxies to be voted at the Annual Meeting of Shareholders. The Annual Meeting will be held Thursday, May 1, 2008, at 2:00 p.m. (Mountain Time) at the Inverness Hotel and Conference Center, 200 Inverness Drive West, Englewood, CO 80112. This proxy statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in person in order to vote.

Who is entitled to vote?

All shareholders of record as of the close of business on Thursday, March 13, 2008 (the "Record Date") are entitled to vote at the Annual Meeting.

What is the quorum for the Annual Meeting?

A quorum at the Annual Meeting will consist of a majority of the votes entitled to be cast by the holders of all shares of Common Stock outstanding. No business may be conducted at the Annual Meeting if a quorum is not present. Broker non-votes (shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote, and the broker does not have discretionary voting authority) and abstentions will be counted as shares present in determining whether a quorum is present. As of the Record Date, 7,289,824 shares of Common Stock were issued and outstanding.

How many votes do I have?

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each item submitted to you for consideration.

How do I vote?

- By Mail: Vote, sign, date your card and mail it in the postage-paid envelope
- In Person: At the Annual Meeting

How do I vote my shares that are held by my broker?

If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you.

What am I voting on?

You will be voting on the following proposals:

- Proposal One: The election of seven Directors of the Company
- Proposal Two: The ratification of EKS&H as the Company's independent registered public accounting firm for the 2008 fiscal year

Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for shareholder proposals and nominations has passed. Nonetheless, in case there is an unforeseen need, your proxy gives discretionary authority to Delwin D. Hock and Richard D. Smith with respect to any other matters that might be brought before the Annual Meeting. Those persons intend to vote that proxy in accordance with their best judgment.

How many votes are required to act on the proposals?

The holder of each outstanding share of Common Stock is entitled to one vote for each share of Common Stock on each matter submitted to a vote at a meeting of shareholders.

Pursuant to our Articles of Incorporation and Bylaws, directors will be elected by the affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting with each share being voted for as many individuals as there are directors to be elected and for whose election the share is entitled to vote.

Ratification of the appointment of EKS&H as the Company's independent registered public accounting firm for the 2008 fiscal year requires the affirmative vote of a majority of the votes cast on the proposal.

How are votes counted?

Since the election of directors requires the approving vote to be measured against all shares of Common Stock entitled to vote, an abstention and withholding authority from that vote is the equivalent of a vote against the election of the nominated director.

For purposes of Proposal Two, abstentions and broker non-votes will not be counted as affirmative or negative in determining the number of shares voted.

What happens if I return my proxy card without voting on all proposals?

When the proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with your directions. If the signed card is returned with no direction on a proposal, the proxy will be voted in favor of (FOR) Proposals One and Two.

Can I change my vote after I return my proxy card?

You can revoke your proxy and change your vote at any time prior to the voting thereof at the Annual Meeting. You can do this by:

- filing with the Secretary of the Company a written revocation or signing and submitting another proxy with a later date, or
- attending the Annual Meeting, withdrawing the proxy and voting in person.

If your shares are held by a nominee and you seek to vote shares in person at the Annual Meeting, you must bring to the Annual Meeting a written statement from the nominee confirming the shareholder's beneficial ownership of a stated number of shares and that such shares have not been voted by the nominee. Your attendance at the Annual Meeting will not in itself revoke your proxy.

Will anyone contact me regarding this vote?

Solicitation of proxies for use at the Annual Meeting may be made in person or by mail, telephone or telegram, by directors, officers and regular employees of the Company. Such persons will receive no special compensation for any solicitation activities. In addition, we have retained the services of D.F.

King & Co., Inc. to aid in the solicitation of proxies in person, by mail or telephone. The costs are not expected to exceed \$6,500 plus expenses. We will request banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock held of record by such entities, and we will, upon the request of such record holders, reimburse reasonable forwarding expenses.

Who has paid for this proxy solicitation?

We have paid the entire expense of this proxy statement and any additional materials furnished to shareholders.

May shareholders ask questions at the Annual Meeting?

Yes. There will be time allotted at the end of the meeting when Company representatives will answer questions from the floor.

How can I obtain a copy of this year's Annual Report on Form 10-K?

A copy of the Company's 2007 Annual Report to Shareholders, including financial statements for the fiscal year ended December 31, 2007, accompanies this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material. A copy of the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") may be obtained free of charge by writing to Allied Motion Technologies Inc., 23 Inverness Way East, Suite 150, Englewood, Colorado 80112, Attention: Secretary or by accessing the "SEC Filings" section of the Company's website at www.alliedmotion.com.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent or with stockbrokers. Please complete and return all proxy cards to ensure that all your shares are voted.

When was this proxy statement mailed?

This proxy statement, the enclosed proxy card and the Annual Report were mailed to shareholders beginning on or about March 20, 2008.

Can I find additional information on the Company's website?

Yes. Our website is located at www.alliedmotion.com. Although the information contained on our website is not part of this proxy statement, you can view additional information on the website, such as our code of ethics, corporate governance principles, charters of board committees and reports that we file with the SEC. A copy of our code of ethics, corporate governance principles and each of the charters of our board committees may be obtained free of charge by writing to Allied Motion Technologies Inc., 23 Inverness Way East, Suite 150, Englewood, Colorado 80112, Attention: Secretary.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Articles of Incorporation and Bylaws provide for a Board consisting of not less than three and not more than nine persons, as such number is determined by the Board of Directors, all of whom will be elected annually to serve until the next annual meeting of shareholders and until their successors are elected and qualified, or until the Director resigns or is otherwise removed.

Our Board of Directors currently consists of Delwin D. Hock, Graydon D. Hubbard, George J. Pilmanis, Michel M. Robert, S.R. (Rollie) Heath, Jr., Richard D. Smith and Richard S. Warzala. Based on the recommendation of our Governance and Nominating Committee, all incumbent directors have

been nominated to succeed themselves as directors. The affirmative vote of the holders of two-thirds of the shares of Common Stock entitled to vote at the Annual Meeting is required for the election of directors. If the number of votes required for the election of directors is not received, directors will continue in office until the next annual meeting or until resignation or removal. Unless authority is withheld, it is intended that the shares represented by proxy at the Annual Meeting will be voted in favor of the seven nominees named below. All nominees have agreed to serve if elected.

If, at the time of the Annual Meeting, any nominee is unable or declines to serve, the discretionary authority provided in the proxy may be exercised to vote for a substitute or substitutes. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES.

Independent Directors

Under the corporate governance standards of the Nasdaq Capital Market, at least a majority of our Directors, and, except in limited circumstances, all of the members of our Audit Committee, Compensation Committee and Governance and Nominating Committee, must meet the test of "independence" as defined by Nasdaq. The Nasdaq standards provide that to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board of Directors must affirmatively determine that a director has no material relationship with the Company. The Board of Directors has determined that each current director, other than Mr. Smith, the Company's Chief Executive Officer and Chief Financial Officer and Mr. Warzala, the Company's President and Chief Operating Officer, satisfies the bright line criteria and that none has a relationship with the Company that would interfere with such person's ability to exercise independent judgment as a member of our Board.

BOARD COMMITTEES AND MEETINGS

The Board of Directors has a standing Audit Committee, Compensation Committee and Governance and Nominating Committees. Each member of each of these committees is "independent" as that term is defined in the Nasdaq listing standards. The Board has adopted a written charter for each of these committees, which is available on our web site at www.alliedmotion.com.

Audit Committee

The Audit Committee of our Board of Directors consists of Messrs. Hubbard (Chairman), Hock and Pilmanis. The Audit Committee oversees the Company's financial reporting on behalf of the Board and is responsible for the appointment, replacement, compensation and oversight of the work of the Company's independent auditors. The Audit Committee also reviews the Company's annual and quarterly reports filed with the SEC. The Audit Committee held four meetings during 2007. Each member of the Audit Committee meets the current independence and experience requirements of Nasdaq and the SEC. Mr. Hubbard has been designated as the Company's "Audit Committee financial expert" in accordance with the SEC rules and regulations and qualifies as a financially sophisticated audit committee member under the Nasdaq listing standards. See "Report of the Audit Committee" below.

Compensation Committee

The Compensation Committee of our Board of Directors currently consists of Messrs. Pilmanis (Chairman), Hock and Hubbard. The Compensation Committee has the principal responsibility to make recommendations to the Board of Directors concerning the compensation of the Company's management employees including its executive officers. The Compensation Committee also reviews, approves and recommends to the Board for their approval all awards granted under the Company's stock incentive plan and performs other functions regarding compensation as the Board may delegate. The Compensation Committee met two times during 2007.

Governance and Nominating Committee

The Governance and Nominating Committee of our Board of Directors currently consists of Messrs. Hock (Chairman), Heath and Hubbard. The Governance and Nominating Committee met four times during 2007. The Governance and Nominating Committee (i) monitors and oversees matters of corporate governance, including the evaluation of Board performance and processes and the "independence" of directors, and (ii) selects, evaluates and recommends to the Board qualified candidates for election or appointment to the Board and each Committee of the Board.

The Board of Directors will consider nominees recommended by shareholders. Any such person will be evaluated in the same manner as any other potential nominee for director. Any suggestion for a nominee for director by a shareholder should be sent to the Company's Secretary at 23 Inverness Way East, Suite 150, Englewood, Colorado 80112, within the time periods set forth under "Shareholder Proposals for the 2008 Annual Meeting."

The Governance and Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, or if the Governance and Nominating Committee decides not to nominate a member for re-election, the Governance and Nominating Committee first considers the appropriateness of the size of the board. If the Governance and Nominating Committee determines the board seat should be retained and a vacancy exists, the Governance and Nominating Committee considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. Skills and characteristics that are considered include judgment, accountability, integrity, experience, technical skills, diversity, financial literacy, mature confidence, high performance standards, time, other board appointments, industry knowledge, and degree of independence from management.

In identifying suitable candidates for nomination as a director, the Governance and Nominating Committee will consider the needs of the Board and the range of skills and characteristics required for effective functioning of the Board. In evaluating such skills and characteristics, the Governance and Nominating Committee takes into consideration such factors as it deems appropriate, including those included in the Corporate Governance Principles, which were adopted, as amended, on November 2, 2006, and are available at www.alliedmotion.com.

Board Attendance at Meetings

The Board of Directors held four meetings during 2007. Messrs. Hock, Hubbard, Pilmanis, Robert, Smith and Warzala attended all meetings. Mr. Heath, who was appointed as a Director in August 2007, attended one of two Board meetings since being appointed to the Board of Directors of the Company. Messrs. Hock, Hubbard, and Pilmanis attended 100% of the total number of meetings held by all committees of the Board of Directors on which they served. Mr. Heath, who was appointed as member of the Governance and Nominating Committee in August 2007, attended one of two meetings held since being appointed to that Committee. Our Corporate Governance Principles provide that all

directors are expected to regularly attend all meetings of the Board and the Board committees on which he serves. In addition, each director is expected to attend the Annual Meeting of Shareholders. In 2007, the Annual Meeting of Shareholders was attended by all of the directors at that time.

Shareholder Communication With the Board

We provide an informal process for shareholders to send communications to the Board of Directors. Shareholders who wish to contact the Board of Directors or any of its members may do so in writing to Allied Motion Technologies Inc., 23 Inverness Way East, Suite 150, Englewood, Colorado 80112. Correspondence directed to an individual board member will be referred to that member. Correspondence not directed to a particular board member will be referred to the Chairman of the Board.

Audit Committee Report

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

Management is responsible for the Company's financial statements and reporting process. The Company's independent registered public accounting firm, Ehrhardt Keefe Steiner & Hottman PC (EKS&H) is responsible for performing an independent audit of the Company's annual financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report on those statements.

As members of the Audit Committee, our work is guided by our Audit Committee Charter which is reviewed annually by the Board of Directors. We have completed all Charter tasks scheduled to be performed in 2007 prior to year-end and all Charter tasks scheduled to be performed in 2008 prior to the filing of this proxy statement. Our work included, among other procedures:

(1) We pre-approved audit and permitted non-audit services of the Company's independent auditors.

(2) We met with management and the independent auditors on a quarterly basis to discuss financial statements and related reports and to review significant accounting and reporting matters.

(3) We discussed with the independent auditors their independence and the matters required to be discussed by Statement on Auditing Standards 61, "Communications with Audit Committees," as amended. We received the written disclosures from the independent auditors required by the Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees."

(4) Prior to their publication, we reviewed and discussed with management and the independent auditors the Company's December 31, 2007, audited financial statements, the related audit report, and the applicable management's discussion and analysis.

Based on the work referred to above, we recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, for filing with the SEC.

Employment Agreements With Certain Named Executive Officers

The Company has employment agreements with Richard D. Smith, Chief Executive Officer and Chief Financial Officer, and Richard S. Warzala, President and Chief Operating Officer. The Agreements have an initial term of five years, through 2008, and continue subsequently on a year-to-year basis unless the Company or the officer gives termination notice at least 60 days prior to expiration of the initial or subsequent terms. The Agreements contain the provisions outlined below.

Base Salary. The Agreements provide an annual base salary of not less than \$240,000 for Mr. Smith and \$230,000 for Mr. Warzala, and may be reviewed annually for increase on a merit basis. Mr. Smith's salary was increased to \$285,000 and Mr. Warzala's salary was increased to \$275,000 effective March 1, 2008.

Annual Incentive Bonus. Annual incentive bonuses are paid based on achieving performance criteria recommended annually by the Compensation Committee and approved by the Board of Directors. The performance criteria will recognize the overall financial performance of the Company and the improvements made in financial results. The amount of incentive that an executive officer may receive is based upon the following two components: an individual target bonus (which is a percentage of the individual's salary), and the Company's performance based on Economic Value Added (EVA). EVA is defined as net operating profit after taxes less a cost of capital charge. For 2007, the individual target bonus was set at 60% for both Messrs. Smith and Warzala. The Company's EVA performance goals are set annually. If the target EVA is achieved, then the target bonus is paid. If the actual EVA achieved falls between the threshold and the target EVA, the bonus awarded is equal to the target bonus multiplied times the prorata percent of the EVA target achieved (0% to 100% of the target bonus amount). If the actual EVA achieved is greater than the target EVA, then the bonus awarded will be greater than 100% of the target bonus amount with the bonus being a certain prorata percent of the incremental EVA achieved above the target EVA. There is no cap on the amount of EVA that can be earned.

For 2007, the Company exceeded performance targets specified at the beginning of 2007 for EVA. Applying the pre-established bonus formula to the financial performance resulted in bonuses for executive officers of 126% of target bonus levels, as set forth in the Summary Compensation Table under the heading "Non-Equity Incentive Plan Compensation."

Long-Term Incentive Compensation. The Company utilizes stock based awards for long-term incentives. The Board approved grants of 15,000 shares for both Messrs. Smith and Warzala on February 18, 2008, with 5,000 shares vesting March 31, 2009, 2010 and 2011, respectively.

Other Provisions. Messrs. Smith and Warzala participate in other benefits and perquisites as are generally provided by the Company to its employees. In addition, the Company provides each executive officer with an automobile, personal financial planning and with life insurance for which the executive may designate the beneficiaries.

In the event of termination prior to a change in control, the Agreements provide for continuation of salary, insurance benefits and other bonus proration or settlements as outlined below.

Retirement. Payments upon retirement would be made pursuant to a retirement arrangement established with the Named Officer's consent, which may provide for the settlement of the Annual Incentive Bonus for the current year.

Termination for Cause. Termination for cause payments include salary continuation through the date of termination and benefit continuation until the end of the termination month.

Death. Upon death, salary continues to the end of the month containing the date of death and for three months following. Any proration of the Annual Incentive Bonus is at the Board of Directors' discretion.

Disability. In the case of disability, salary is continued until the end of the term of the employment agreement, as adjusted for any compensation payable under any Company paid disability plan, or until long term disability insurance becomes effective. Benefit are continued as generally provided by the Company to its employees in accordance with the Company's disability plan. Any proration of the Annual Incentive Bonus is at the Board of Directors' discretion.

Involuntary Termination for other than Cause, Retirement, Death or Disability. Involuntary termination payments include salary continuation through the end of the termination month and for twelve months following termination along with payment equal to 20% of the monthly base salary paid in order for the executive to directly acquire benefits. An amount equal to 90% of the base salary at time of termination is to be paid in lieu of the annual bonus.

Change in Control Agreements

The Company has entered into separate agreements with Messrs. Smith, Warzala and Wyman, for termination resulting within 90 days prior to or 24 months following a change in control of the Company. The agreements are extended automatically on January 1 of each year for a term of two years, unless notice of non-renewal is given by the Company not later than the September 30 immediately preceding such January (meaning that notice must be given at least 15 months prior to termination). Under the terms of the agreements, upon termination by the Company (other than for cause as defined in the agreement) or by the executive for good reason (as defined in the agreement), they are entitled to receive a severance payment equal to 2.5 times (one times for Mr. Wyman) the sum of current annual base salary plus the highest amount paid or payable under the Annual Incentive Bonus Plan for any of the three preceding fiscal years, an allocation for incentive compensation for the current year up to the date of termination and a monthly payment for a two year period equal to 25% of the base salary for the individual to acquire insurance benefits. Any payments due under the

Long-Term Incentive Payment Plan shall be paid in accordance with the plan provisions. The Company has similar agreements (providing one time severance payments) with certain other key executives. The change in control agreements are applicable to a change in control of the Company or of the subsidiary or division for which the executive is employed and require the key executives to remain in the employ of the Company for a specified period in the event of a potential change in control of the Company and provide employment security to them in the face of pressures to sell the Company or in the event of take-over threats, so that they can devote full time and attention to the Company's efforts free of concern about discharge in the event of a change in control of the Company. The Board of Directors has considered termination of these agreements and determined that the reasons for executing the agreements are valid and concluded that notices of non-renewal would not be in the best interests of the shareholders.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Ehrhardt Keefe Steiner & Hottman PC (EKS&H) to act as auditors for the fiscal year ending December 31, 2008. EKS&H has served as the independent registered public accounting firm for the Company for the fiscal years ended December 31, 2007 and 2006. A representative of EKS&H is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if he or she so desires, and will be available to respond to appropriate questions.

At the Annual Meeting, the shareholders will be asked to ratify the selection of EKS&H as the Company's independent registered public accounting firm. Pursuant to the Rules and Regulations of the Securities and Exchange Commission, the Audit Committee has the direct responsibility to appoint, retain, fix the compensation and oversee the work of the Company's independent registered public accounting firm. Consequently, the Audit Committee will consider the results of the shareholder vote on ratification, but will exercise its judgment, consistent with its primary responsibility, on the appointment and retention of the Company's independent auditors.

The affirmative vote of a majority of the votes cast on the proposal, assuming a quorum is present at the Meeting, is required to ratify the appointment of EKS&H. The directors of the Company unanimously recommend a vote "FOR" the ratification of EKS&H as the Company's independent registered public accounting firm for 2008. Unless otherwise instructed, proxies will be voted "FOR" ratification of the appointment of EKS&H.

The following table shows the fees paid by the Company for the audit and other services provided by EKS&H for 2007 and 2006.

	2007	2006
Audit Fees(1)	\$ 230,500	\$ 199,000
Audit-Related Fees(2)	40,000	38,250
Tax Fees(3)	35,650	20,650
Total	\$ 306,150	\$ 257,900

-
- (1) Audit fees include amounts related to professional services provided in connection with the audits of the Company's annual financial statements, reviews of the Company's quarterly financial statements and audit services provided in connection with other regulatory filings,
 - (2) Audit-related fees consist of benefit plan audits.
 - (3) Tax fees principally include fees for tax compliance and tax consulting.

The Audit Committee of the Board has adopted policies and procedures providing for the pre-approval of audit and non-audit services performed by the Company's independent registered public accounting firm. Pre-approval may be given as part of the Audit Committee's approval on the engagement of the independent auditor or on an individual case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to the Audit Committee chairman, but the decision is subsequently reported to the full Audit Committee.

The Audit Committee has considered whether provision of the non-audit related services described above is compatible with maintaining the independent accountants' independence and has determined that those services have not adversely affected EKS&H's independence.

On May 17, 2006, the Audit Committee unanimously approved the dismissal of KPMG LLP ("KPMG") as the Company's independent registered public accounting firm and the action was ratified by the Company's Board of Directors.

The audit reports of KPMG on the Company's financial statements for the fiscal years ended December 31, 2005 and 2004 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that the report on the Company's financial statements as of and for the year ended December 31, 2004 contained a separate paragraph referring to the adoption of Financial Accounting Standards No. 141 and 142, effective July 1, 2002. During the years ended December 31, 2005 and 2004 and through May 17, 2006, (i) there have been no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of KPMG, would have caused KPMG to make reference to the subject matter of the disagreement in connection with its reports on the Company's financial statements for such periods and (ii) there were no "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K.

OTHER MATTERS

Our management does not know of any other matters to come before the 2008 Annual Meeting. However, if any other matters come before the Annual Meeting, it is the intention of the persons designated as proxies to vote in accordance with their judgment on such matters.
